# Rhyming Words

Write a humorous rhyming poem about your school! Start out by making some key words that have to do with testing. Then, brainstorm rhyming words for each testing-related word that you.

*Note: Rhyming words sometimes bend the rules a little to fit!*

Word	1-Syllable Rhymes	2-Syllable Rhymes	3+ Syllable Rhymes
Test	best, guessed, jest, quest, rest, stressed	addressed, at best, confessed, obsessed	at the best, chicken breast, day of rest, cardiac arrest
